HONEY BUNNIES

The bunnies are back. The adorable, cute and yummy creatures are here. We will be baking plenty of them for Easter week. We can bake one for you, your niece, co-worker, boss or anyone else you can share on with.

Still made the old fashioned way. We make them one at a time, leavened with live yeast, no chemicals, no HFCS, just passion.

Life is too short to settle for anything but the best. Eat amazing bread and enjoy!
